

CDDF Industry Partners Registration process

The CDDF has recently implemented a new registration fee model for the CDDF Industry partners, as shown in the table below.

	Mandatory onsite presence, giving free online access	Only online access (in case of no attendance possible onsite)	Registration Fee (excl.VAT) per additional participants (online or onsite)
SME	Up to 5 free online access and 1 free onsite registration in case of <u>at least</u> 1 onsite participant	1 free online	500 EUR
Medium	Up to 15 free online access and 2 free onsite registrations in case of <u>at least</u> 1 onsite participant	1 free online	1000 EUR
Large	Unlimited free online access and 4 free onsite access in case of <u>at least</u> 2 onsite participants	2 free online	1000 EUR

Registrations will be approved on a first-come-first-served basis only upon confirmation from the CDDF Industry partner that there will be at least 1 (SME, Medium) or 2 (Large) onsite participant/s. If no onsite participant is confirmed, the CDDF will approve the number of online registrants mentioned on the second column of the table.
