EBCP GOVERNANCE

- **1) Cancer Plan Implementation Group consisting of all relevant Commission services.** To ensure alignment between the Plan and the Mission, the existing Cancer Mission Owners Group³ will be fully integrated. The Implementation Group is chaired jointly by DGs SANTE and RTD.
- **2) Member State cancer sub-group of the Steering Group on Health Promotion and Disease Prevention (SGPP).** The sub-group will follow jointly the implementation of the Cancer Plan
- **3) Stakeholder contact group under SANTE's Health Policy Platform (HPP).** It is planned that this group will consist of a general assembly, which will include patient groups and all interested stakeholders and more specific sub-networks with limited participation, which could be organised along the pillars of the Cancer Plan.
